

Capel Manor Gardens and Beth Chatto's Garden

Thursday, 19th August, 2021

Capel Manor Gardens boasts more than 60 themed gardens and landscapes. These include winning gardens from previous RHS Chelsea Flower Shows, as well as model front and back gardens and a recycled garden. Highlights include the Walled Garden, historical gardens, woodland walk and maze.

Beth Chatto OBE was an award-winning plants woman, author and lecturer. She took an overgrown wasteland of brambles, parched gravel and boggy ditches, transforming it using plants adapted by nature to thrive in different conditions: 'right plant, right place'. An inspirational, informal garden has been developed over the years.

There are five main areas in the garden, all dealing with challenging soils and aspects - Gravel Garden, Water Garden, Reservoir Garden, Woodland Garden and the Scree Garden. Beth's is a garden for plant lovers and whilst it's not the biggest, at around 7 acres, it is beautiful.

Refreshments are available at both gardens. There are also plant centres and gift shops at both gardens.

For more information go to:
